Security Officer Screen INTERVIEW GUIDES

Attitude Toward Authority: (Job Related Attitudes) SRV-20C

The Problem

They tend to:

1. Disregard rules, norms and conventions about how things should be done.
2. Tend to go their own way becoming skeptical and cautious about rules and codes of conduct which are different from their own.
3. Develop a 'chip on the shoulder' attitude when things do not work out as they expect.

Interview Comments

The following steps are recommended:

1. Provide them a problem situation from the work environment which has several different alternatives, one which follows organizational guidelines. Use an organization option which is not as functional but represents a more orderly way of solving the problem. Indicate that sometimes employees have to go it their own way to get things done. See how they respond and how much they are willing to go around organization guidelines.
2. See how willing they are to rationalize getting around or replacing organization policies by appealing to practical thinking.

Security Officer Screen INTERVIEW GUIDES

Personal Work Attitudes: (Health Tension Index) SRV-28B

The Problem

They tend to:

1. Do the wrong things in order to be taken out of a pressure situation.

1. Develop physical symptoms as a result of their despair and frustration.
2. Be inconsistent in performance depending on their ability to manage their stress and anxiety.

Interview Comments

The following steps are recommended:

1. Ask them to describe what they see as the cause for their stress and anxiety. Require them to relate this information to your organization.
2. Give them a list of service problems and potential solutions. Require them to evaluate the problems and solutions. Give a limited time and press them during their evaluation. When they have reached a solution, aggressively challenge their thinking.
